Access the appointment scheduler by clicking on the HEAP drop down menu, there Clicking on Intake appointment schedule

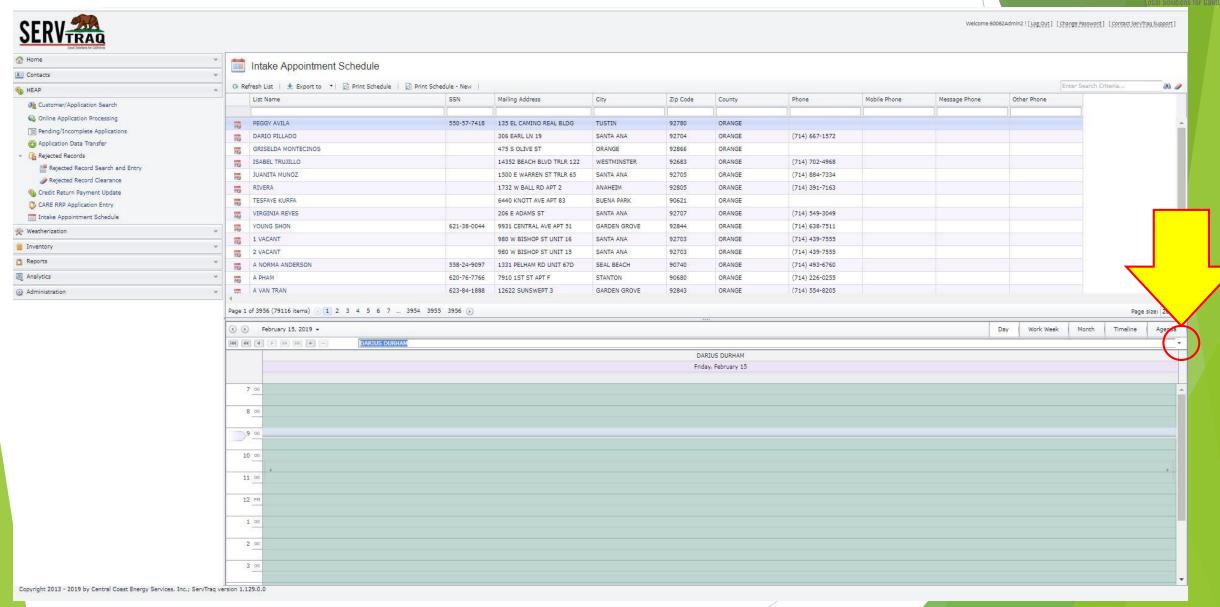

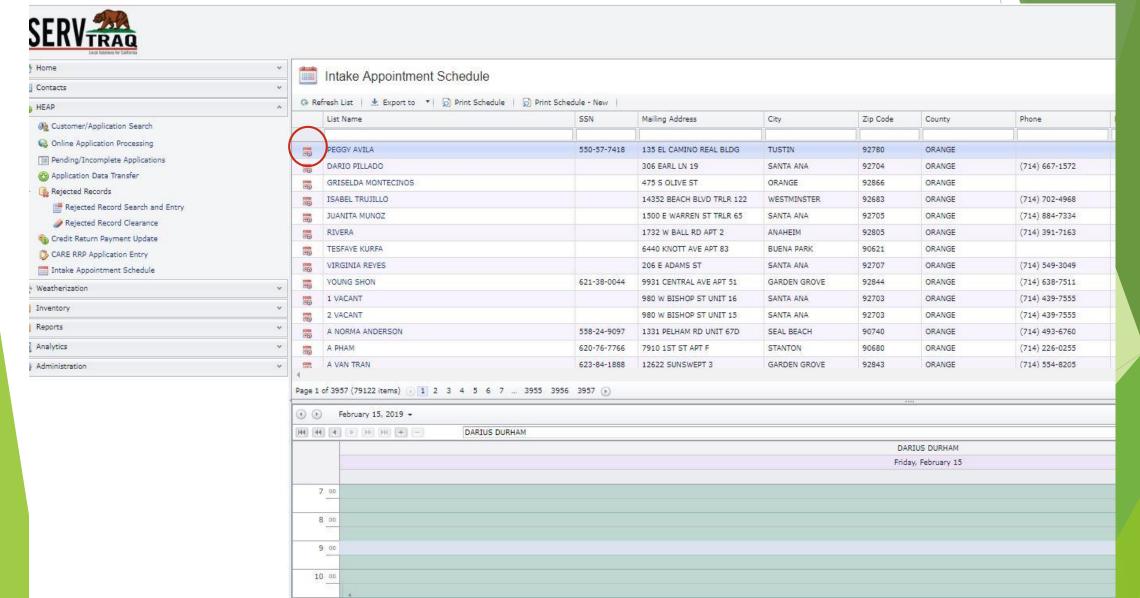

SSN's must be entered "exactly" in order to be found in the system

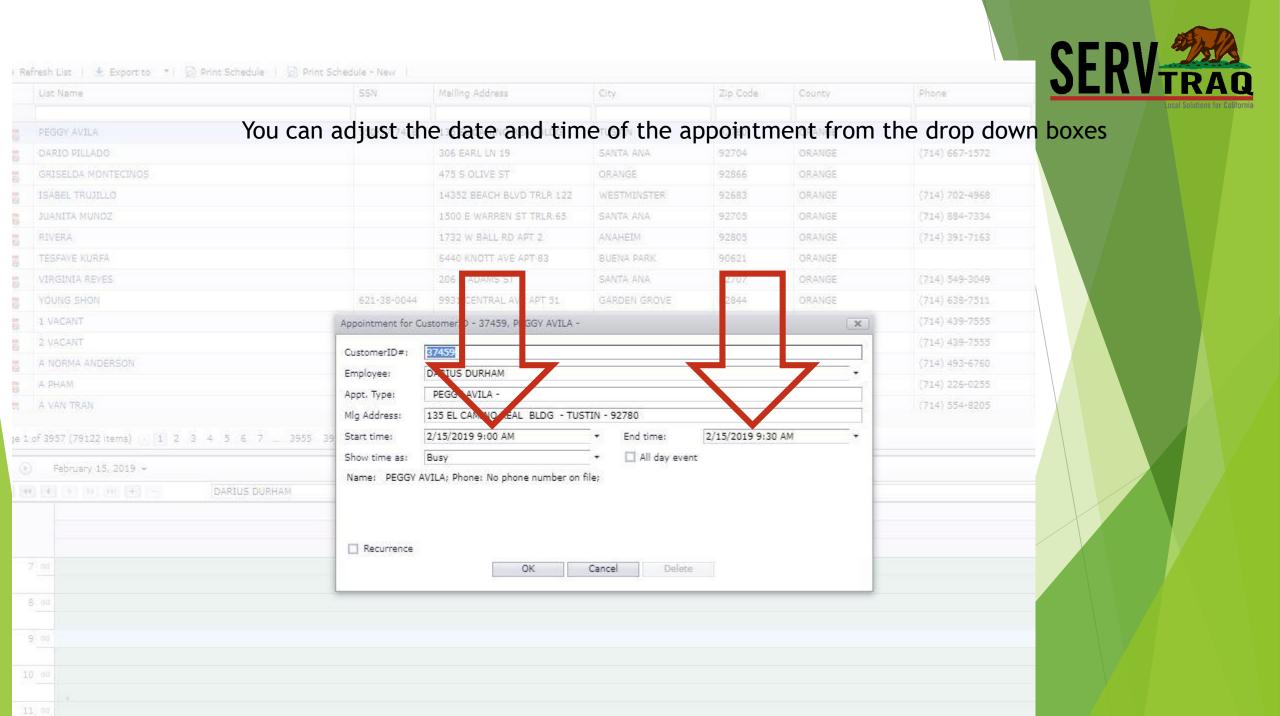

Click on the drop down menu to find your name for Scheduling

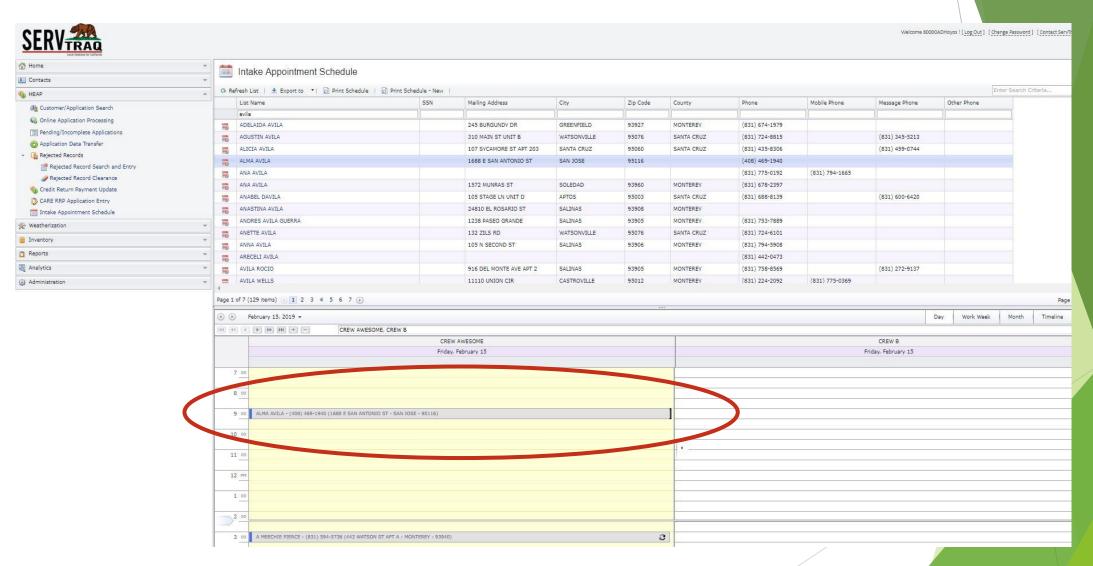

Click on calendar icon to the left of the customer in question, to open the appointment entry

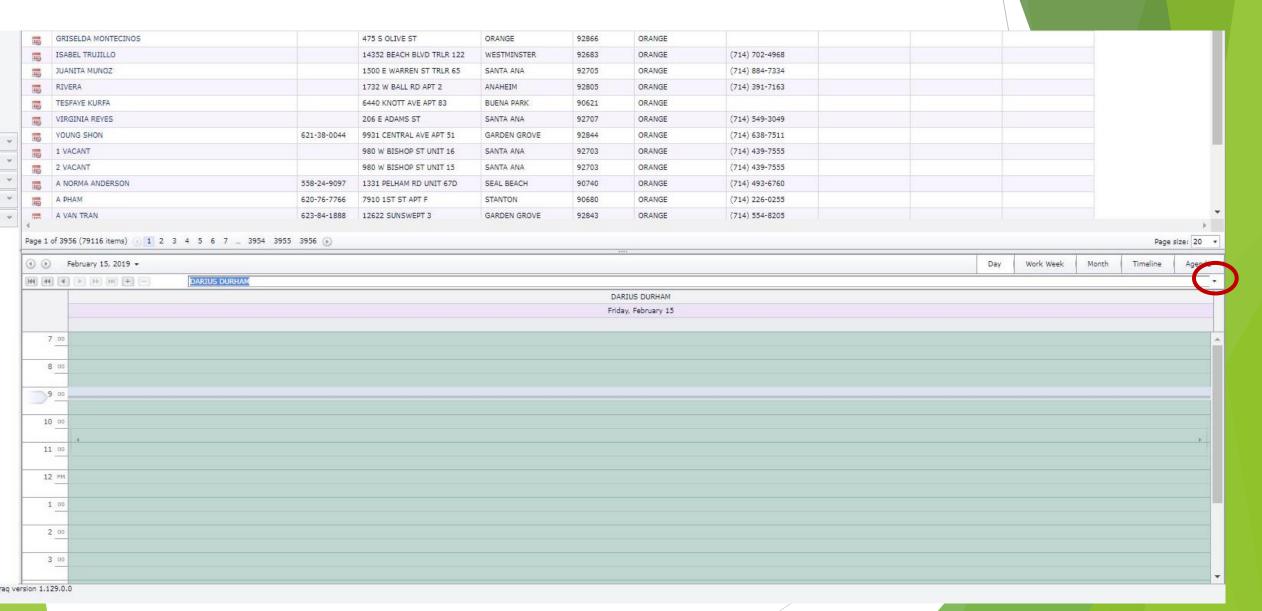

The appointment will show up in the schedule below

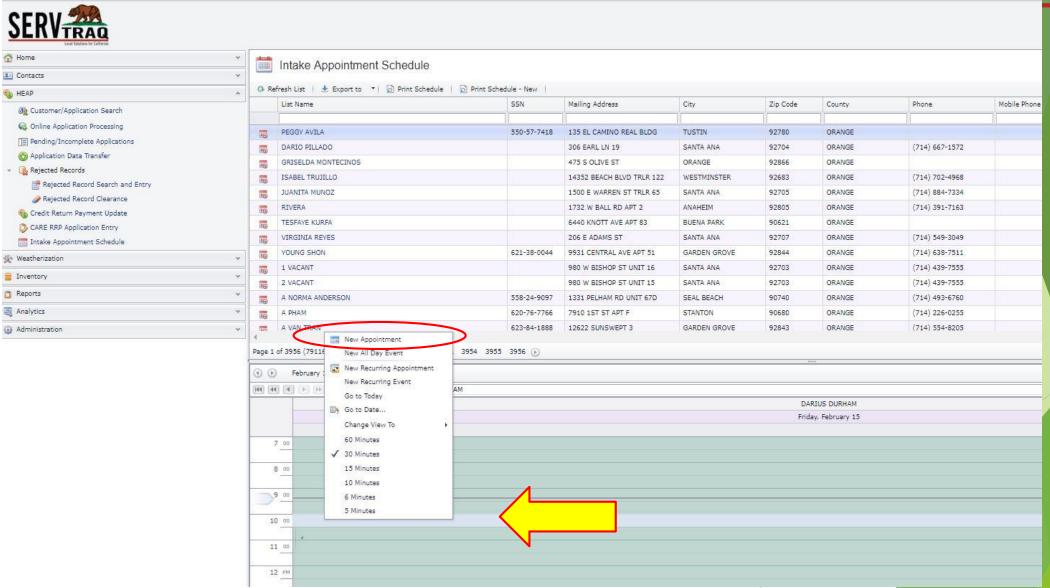

Sheduling for Outreach appointments is just as easy. Highlight your name again from the drop Down menu

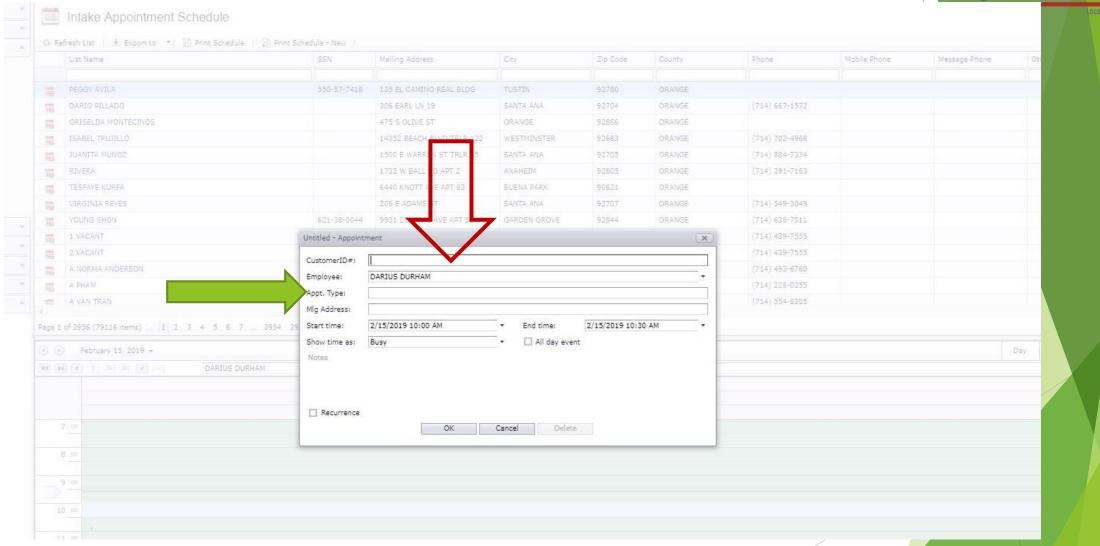

Right click and select new appointment

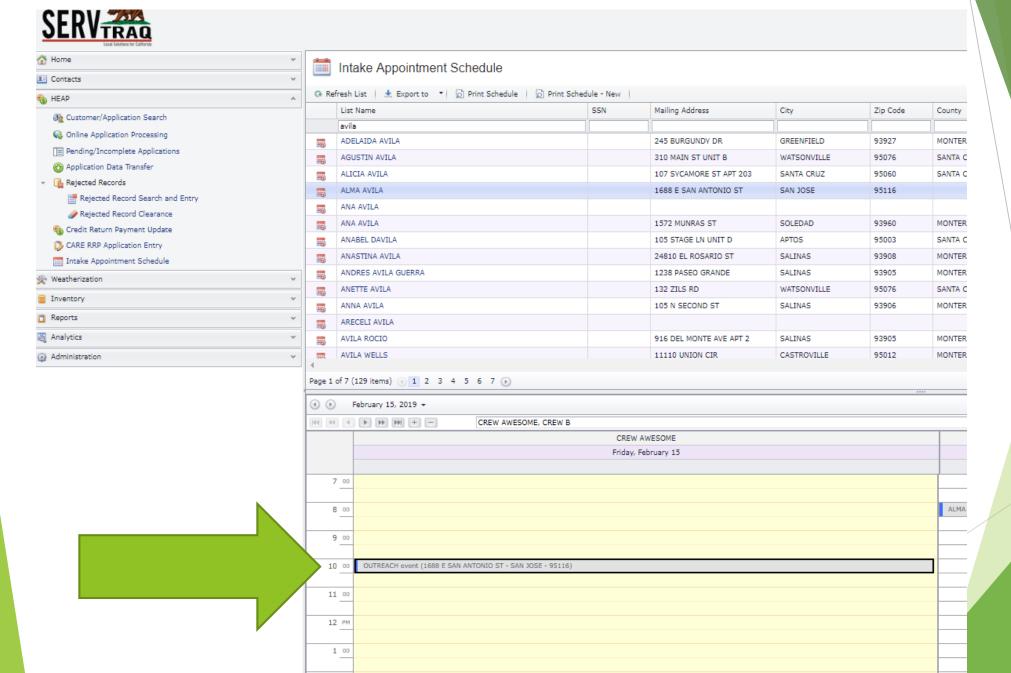

Leave the customer ID blank, use the appointment type field to type name the Outreach Event

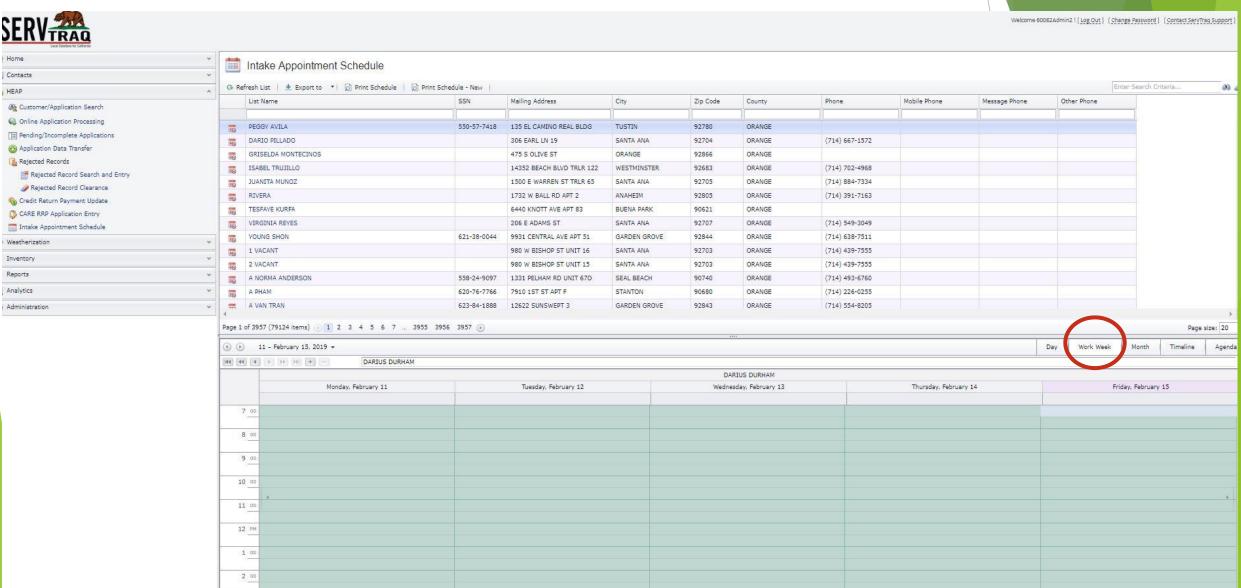

See the appointment below

Select a different view for the calendar portion of the scheduler
